GUERRILLA RUNNING RACE TIMING INTAKE FORM

About Guerilla Running Race Timing

- We have over 10 years experience timing running races.
- We charge \$500 for race timing services for events with up to 500 runners. For events with over 500 runners, add \$100. We require a \$250 deposit and the remainder must be paid on race day.
- We require that you provide us with a complete list of race entrants no later than 5 days prior to your event. If you offer race day registration, we will enter those runners into our system as they come in on race day.
- We will post your race results to several race calendar/results websites, generally within 24-hours of your event: Northwest Runner, Ontherunevents.com, Race Center Northwest and the Running Network.
